

Utah System of Higher Education Level One Admissions Recommendations

SUBJECT	# YEARS
English (emphasizing composition/literature)	4
Mathematics (select from elementary algebra, geometry, intermediate algebra, trigonometry, college or advanced algebra, or calculus. Students are strongly encouraged to take at least elementary algebra through trigonometry.)	3
Biological/Physical Science (three years, two of which are required to be taken from Human Biology, Biology, Chemistry, or Physics. Two of the sciences must include a laboratory experience.)	3
American History	1
Additional Courses (select from at least two groups: English, history, math beyond intermediate algebra, foreign language, lab science, technology and engineering education, social science, or fine arts)	4
Foreign Language (the same language, taken during grades 7-12; required only at the University of Utah)	2

*The courses listed are recommended and may be required for college admissions. Please check with each individual institution for their individual requirements.
